FIVE THINGS TO BUY

By John Enar Karlsson

[1] Diesel "Only The Brave", a new fragrance for men. The new fragrance was named for Diesel founder Renzo Rosso's Italian holding company and his charitable foundation, both of which have the same name. The bottle is modeled after Rosso's fist. Only The Brave will be available in 30, 50 and 75 ml Eau de Toilette and in matching grooming products. **[2]** Medium PTS, available in two sizes, it is not only scratch and dent resistant, it is also tailored to fit the storage capacity of all Porsche models. Other details include telescopic handles, splash resistant zippers and a combination lock for security. Meteor Grey Metallic is the standard color. **[3]** Snacks. **[4]** Hard drive specialists Seagate have bumped the successful FreeAgent Go series up to 640GB. For some, that extra space won't be needed. But if you make use of Seagate's Theatre HD, having an extra 140GB of films and music could come in handy. **[5]** For the mere price of $2,412, you can push a Mercedes Benz. Maybe rappers on a budget can still floss in their music videos with these instead of spending half their music video budget on renting a SLR McLaren Roadster. / **SLITZ**

THE PARAJET SKYCAR

THE ELITE SEGMENT OF RADICAL, LIGHTWEIGHT AVIATION

Words_JOHN ENAR KARLSSON

Parajet Automotive was born when as a teenager Gilo Cardozo dreamed of inventing a flying car. Gilo setup Parajet in 2000 with a goal to produce the most innovative flying products on the market. He started with paramotor and soon developed an industry leading paramotor called the Parajet Volution Compact. This has now become an industry standard and benchmark that other paramotors are measured by.

While doing his incredible journey with Bear Grylls to travel to the height of Mount Everest in 2007 Gilo revisted his idea of a flying car. Gilo's concept - rather than make an aircraft work on the road, why not make a car fly, using already proven and safe technology from paramotor. With this concept the SkyCar now performs amazingly on the road and in the air.

Now in 2009 the SkyCar is a proven concept after the grueling 7000km expedition from London to Timbuktu. The expedition tested the car to its very limits from flying the Gibraltar Straits to driving and flying in the Sahara. With an aggressive design and sporty looks, the Parajet Skycar is the next step in the small, but elite segment of radical, lightweight aviation.

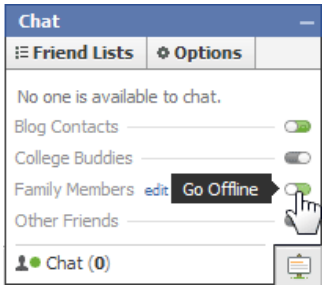
HIDE YOUR ONLINE STATUS ON FACEBOOK CHAT FROM SELECT CONTACTS.

If you are connected with too many people on Facebook and need to hide your online status on Facebook Chat from certain contacts, here's some help. Facebook has integrated friends list with Chat and you can also choose which of these list members get to see you online.

So you can stay visible to your family members and close friends while the rest of your Facebook friends won't know if you are logged into Facebook.

Earlier you had to completely turn off Facebook chat in order to hide your online status from other contacts.

The Facebook chat window has easy sliders so you can easily toggle. **/ SLITZ**



TWITTER

HOW DO BUSINESSES USE TWITTER?

Twitter connects you to your customers right now, in a way that was never before possible. For example, let's say you work for a custom bike company. If you run a search for your brand, you may find people posting messages about how happy they are that your bike lets them ride in the French Alps—giving you a chance to share tips about cyclist-friendly cafes along their route.

Others may post minor equipment complaints or desired features that they would never bother to contact you about—providing you with invaluable customer feedback that you can respond to right away or use for future planning. Still others may twitter about serious problems with your bikes—letting you offer customer service that can turn around a bad situation.

You don't have to run a bike shop or a relatively small company to get good stuff out of Twitter. Businesses of all kinds, including major brands, increasingly find that listening and engaging on the service lead to happier customers, passionate advocates, key product improvements and, in many cases, more sales.

A KEY BENEFIT One of Twitter's key benefits is that it gives you the chance to communicate casually with customers on their terms, creating friendly relationships along the way—tough for corporations to do in most other mediums.

But Twitter isn't just about useful immediacy. The conversational nature of the medium lets you build relationships with customers, partners and other people important to your business. Beyond transactions, Twitter gives your constituents direct access to employees and a way to contribute to your company; as marketers say, it shrinks the emotional distance between your company and your customers. Plus, the platform lends itself to integration with your existing communication channels and strategies. In combination, those factors can make Twitter a critical piece of your company's bigger digital footprint.

For instance, let's say you run a big retail website. In addition to learning more about what your customers want, you can provide exclusive Twitter coupon codes, link to key posts on your blog, share tips for shopping online, and announce specials at store locations. And you can take things a step further by occasionally posting messages about fun, quirky events at your HQ, giving others a small but valuable connection with the people in your company. **/ SLITZ**

Why 140 characters? SMS (i.e., texting on your phone) limits each message to 160 characters. Twitter takes that limit and reserves 20 characters for your username, leaving you 140 characters to play with. That's how it started

FACEBOOK GIVES YOU CUSTOM URLS FOR PROFILES

By John Enar Karlsson
/JOHN_SWEDISH@YAHOO.COM

Starting 12:01AM EST on Saturday, June 13, Facebook will start offering personalized URL addresses for your personal profile. That means, instead of the usual 'www.facebook.com/profile.php?id=563920841#=profile' in your address bar, you could have custom links, like 'www.facebook.com/thomas.shambler'. With over 200 million Facebook members, it's going to be a mad scramble for user names (especially for you John Smiths out there), and URLs will be assigned on a first-come first-serve basis. Be sure to check Facebook this Saturday, when the changes go live.

UPDATE: We can't find any links on Facebook, but you can grab a custom URL at www.facebook.com/username. Good luck. **/ SLITZ**

40TH ANNIVERSARY - PENTHOUSE

Penthouse is pulling out all the stops for its 40th anniversary with a Special Collector's Edition double issue. This special Anniversary Issue boasts a retrospective celebration of the past 40 years - from Penthouse's hard-hitting journalism to the most scandalous exposes, from the funniest humor pieces to, of course, the customary beautiful women, who grace more than 90 pages of the magazine.

That classic Penthouse material is complemented by fresh new interviews, articles (the Manhattan Madam on Wall Street's sexual excess; the military mortgage crisis), and seven new and incredibly stimulating pictorials featuring a bevy of beautiful women.

To coincide with the 40th Anniversary Issue release, beginning the week of July

21st Penthouse Pets Julie Strain, Taylor Vixen and Aimee Sweet, as well as the Manhattan Madam, Kristin Davis, are scheduled to appear on media outlets all over the country. Additionally, Howard Stern's On Demand channel, Howard TV, is planning to dedicate an hour-long special, "Best of Penthouse Pets".

In celebration of the 40th anniversary milestone, Penthouse is in the midst of planning a special party for this fall. Details will follow in the coming months. /**SLITZ**

YES MAN

Words_ ENZO LUNA

STARRING: JIM CARREY, ZOOEY DESCHANEL...

YES MAN (2009)

In this movie, Jim takes the role of Carl Allen, a bank loans approval manager, who deals his everyday life with pathetic and boring routine who thinks of himself only and not the people who surrounds him. One day, after a friend invited him for a seminar, his boring life changed completely into a new and adventurous ways. For a man who always says “no” suddenly became a “yes man’. All the while, Carl thought that compromising himself to situations by saying “yes”, life has become favorable for him. Almost everything seems going in the right place whenever he says “yes” while things gets in the wrong turn whenever Carl says “no”. He enjoys every moment until government agents apprehended him after a trip in Nebraska, together with his girlfriend Allison (played by Zooey Deschanel). Soon he later realized that saying “yes” is not the answer to all favors, unless it really came from the heart. Carl almost lost his Allison but later won her back again after admitting his undying love for her with or without his being a “yes man”.

Clearly a feel good movie and I even got teary-eyed in a scene where a man was trying to jump from a building and Carl persuade the guy to not to jump at all. Carl grabs the guy’s acoustic guitar and sung “Jumper” (a good rendition there by Carrey, by the way. The song is originally part of American rock band, Third Eye Blind’s self-titled album in 1997). The scene got me goose bumps even more when the guy sang with him, and also when the people watching them from the road sang most part of the song. From there watching on-screen, you just might want to hug someone near you in an instance.

Over-all the movie takes on about living the life, not to the fullest but rather on opening doors to opportunities and trying new things that people sometimes just let go. Of course, it still needs a wise decision and making things to happen only if that is really meant by heart, not just because someone else’s covenant says so.

Also a light romantic comedy, Zooey played her part very well as an adventurous yet humbled young lady who falls in love with Carl. The new Meg Ryan of the millennium, and I’m not going to take back that words I just said. She also did a good acting job on “The Happening” opposite Mark Wahlberg and already I’m stricken by her lovely pair of doe eyes. /**SLITZ**

GRAN TORINO

Four years after 'Million Dollar Baby', Clint Eastwood steps back in front of the camera as Walt Kowalski, a Korean veteran with stubborn and racists opinions. After a new family moves in next door, Walt is drawn into their problems when they're hassled by a local gang after one of their initiating members tries to steal his flash looking Gran Torino.

It's with a rifle in his hand and a cold stare in his eye that proves that Clint can still capture the screen as if it was yesterday.

ENTOURAGE SEASON 6

Entourage season 6 will premiere July 14 on HBO (and for sure spread like crazy on Torrentz the day after). According to Entertainment Weekly, the first 2 episodes will focus on Vince's Scorsese movie, "Gatsby." E will get fed up with living with the guys and debates on whether to get a place of his own. Meanwhile, Lloyd will make his case to Ari for a promotion. And speaking of Lloyd, there are also rumors that the show is casting for a new assistant for Ari, so will Llyod finally move on or will he get a spot as a new agent. One thing's for sure, they're not going to get rid of his character; his interaction with Ari has provided some of the funniest moments of the show in the last 3 seasons.

TAKEN (2008)

"TAKEN" (2008) is a stunning action/thriller starring Liam Neeson. This is a must see movie if you're a fan of fast speed action flick. The movie offers a huge dose of suspense, a great deal of action, and decent acting all around. If you're not afraid of having your kids taken away, this is a great nail-biter.

Liam Neeson plays a retired Central Intelligence Agency operative who sets about tracking down his teenage daughter after she is kidnapped by slave traders while traveling in Europe.

Neeson is a serious force to be reckoned with in terms of both acting ability and sheer presence. It's Neeson's performance that makes this movie so downright believable, and yet at the same time, so downright forceful.

CLUB PROMOTING

Photo by Neil Cuestas & John Enar Karlsson/ enar@slitzmag.com

If you can list a name and love the club scene then this just might be your game. Welcome to the glittery, glamorous, and glossy world of club promotions. When you party to live and live to party then being a club promoter won't break you a sweat. So put on your shoes, twitter your friends and join the fun!

Promoters are permanent fixtures of the nightlife scene. The name of the job says it all. Let us get down and dirty with the ins and outs of being a party promoter.

Sending text messages, emailing people, inviting guests through facebook or listing names of strangers is not the same as club promotion. Promoting goes beyond inviting people to join the party. Inviting people is just part of the job while the bigger picture is creating a remarkable experience for all the guests.

No Effort, No Entry. Just like any job, it requires you to work hard. Club promotion is a science and an art at the same time and its all about creating a remarkable and unforgettable experience through an environment that cultivates a distinctive emotional aura that releases endorphin. You know you are in the right club if you get naturally high.

Here are simple tips to help you get started. Just remember to keep your S.E.N.S.E.

Smile. Greet your guests with a big genuine smile to let them know they are very much welcome to join the party.

Entertain. Learn to entertain your guests because it is easier for people to talk about bad experiences rather than good ones. Go around the room, have small talks, meet new friends, drink and dance a little. One more thing, introduce guests to one another especially those who are single and ready to mingle.

Name. We all know how hard it is to remember names. Now let me share the secret to remembering names easily. Simply use the person's name at least 3 times during the conversation and that should do the trick. Do you find it hard to start conversations with strangers? Why don't you help them find a table, suggest a good drink and don't forget to thank them for coming.

Serve. A party is not a party without a good dose of alcohol flowing so be sure to serve drinks and encourage everyone to drink a glass or two. Contrary to popular belief, it is not part of a promoter's job description to be a drunkard and it totally does not help to be one. You might ask how to avoid drinking when you get free drinks left and right. A good way to avoid getting drunk is by getting hold of the alcohol and make people take shots. You make them happy while you are doing your job.

Enjoy. Being a promoter is fun so never let the pressure get the best out of you. Have fun, stay fun, enjoy the party and be the party! Don't just sit down in one corner instead set down the tone of your party by moving around, dancing a lot, drinking a little and working while having fun.

So once you hit on the dance floor as a promoter, keep it in mind to greet your guests with a smile, entertain them, remember their names, serve them drinks and enjoy the party with them. Trust me, if you do it right, they will come to your next party. /**SLITZ**

SLITZ SEX GURU

Sheree [Perky Lady] has done it all and been a poster girl for whats hot and sexy. She is now SLITZ's Sex guru and ready to answer our readers question.

If you've ever had a burning sex question that you were too embarrassed to pose even to your best friend, you're not alone. Sheree, our Sex Guru is here to get to the bottom of your deep-intimate, and carnal queries. Nothing (and we mean nothing!) is off limits!

01 "PAIN WITH FIRST-TIME SEX. WHAT COULD THE PROBLEM BE AND WHAT CAN I DO ABOUT IT?"

Most women experience discomfort or pain the first time they have sex. The hymen is torn and there may be blood. Also, you may psychologically not be ready yet to have intercourse; if you have doubts and fears, you may not produce enough lubrication.

With patience, you will be able to have a full and satisfying sex life. Take it slow, and don't be frustrated.

Whatever the outcome, may I remind you of the importance of using condoms as a means of significantly reducing the risk of sexually transmitted disease.

02 "WHATS THE EASIEST AND FASTEST WAY TO MAKE A GIRL CLIMAX?"

Since no two women are identical in their preferences, any answer will be broad and generalised. Each woman is going to repsond to different techniques. Not all respond to one postion or manner of stimulation. Try a different one until you find one that works. As for intercourse, most women like being on top, sitting up, the best. They get to grind at the pace, direction and pressure they like best and you just need to keep it up.

Some never get off during intercourse. Some need manual stimulation during intercourse to get off (any position from behind when your fingers can work too). If at first you don't succeed, try, try again.

In general terms, then, the fastest way to get a girl to climax is by cunnilingus. So I really recommend going down on her. Watch what she responds to, stronger pressure or really light, build up slow, don't move until she is almost demanding you to get further along the way, withhold from touching her where she wants for a little more, then let go to it lightly and back away, when you get to where it counts use different strokes until she really responds, then repeat, repeat, repeat, until she pushes you away or clearly wants you to stop. .

03 "MY GIRLFRIEND DOESN'T LIKE THE WAY I TASTE. IS THERE ANYTHING I CAN DO ABOUT THAT? "

Yes - watch what you're putting in your mouth. It's well-known that red meat, recreational drugs, garlic, coffee, tobacco, and alcohol make semen taste less than delicious. To improve your flavor, add parsley, mint, cinnamon, cardamom, peppermint, lemon or pineapple to your diet. Anything that freshens or sweetenes your breath will enhance the way you taste. Drink also lots of water 1 – 2 liters a day to flush out body toxins.

Avoid heavy spices such as Garlic and onions, they're big offenders when it comes to sperm taste, as they have a high sulfur content.

What you put into your body takes between 12 and 24 hours to secrete out and you should simply keep this in mind before eating and deciding whether you want a better sperm taste on that particular day or not!

To wrap up, just Pineapples. Eat lots and lots of it, make it a daily fresh fruit habit and you are sure to have the sweetest tasting cum ever. Make sure you avoid those green leafy veggies however, when you are on the trying-to-be-sweet taste phase. It adds bitterness to your juices../ Sheree for **SLITZ**

BIG MENS TOYS

/MODERN PETS...

Words_ JULIE LAQUINTA

Dreaming Bear Dog or Dorimingubeadoggu, as how Japs would normally say, is a display figure manufactured as part of the Oggetto Modern Pets set designed by toy designing group Play Set Products. Oggetto (ojetto), in Italian literally means thing. It is originally meant to give quirk cuteness to the typical abode interior, but has also found its way to office receptions and entrances as an immobile clerk giving any visitor a happy welcome with its perpetual smile.

The most common Oggetto come in basic blue, but Play Set also came up with Modern Pets colored red, the other green in a Superman suit. No parts are movable but its neck; the head can be adjusted to any angle of choice, so Dreaming Bear Dog's gaze can be caught in any direction. /**SLITZ**

FELLATIO

OR GIVING HEAD...

Words_ MISS M Photography_ JOHN ENAR KARLSSON

Fellatio is the formal term for giving head or blow job. It's the very artistic way of making love.

Most guys prefer it because they actually don't need to work, while receiving a pleasurable act but some girls are not comfortable on giving it. There are easy and quick tips on how you would improve your skills on giving head and this is what the article is about. Basic tips are the following:

1. Attitude – You must watch your attitude, make sure that you are doing it because you want to and not because you just want to get something in return Be enthusiastic but also be careful enough and make sure your teeth won't hurt him. Start that fire!!!! :)

2. Kiss and Eye Contact – So he may be soft at first so kiss it. Kiss his head down there and breathe on it. Make sure he'll feel your hot breath on his head. Also, do the eye contact!!! See if he's liking what you are doing. Men are very visual.

3. Lollipop- Remember those days you ask your parents to buy you a lollipop to lick and suck on. Now this time you'll be licking a really good lollipop. Start licking it from the head to its shaft and that underskin that connects the head from the shaft. Vary your licking style and be very careful with your teeth. It might hurt your partner.

4. Spit or Swallow – It's all up to you!!! If you will swallow it make sure that your partner is clean because you can get an STD from it but again sperms are clean and rich in protein so it's ok to swallow it!

These are just the basic steps. I will surely write more about this on the next issue of SLITZMAG. So, don't forget to grab the next issue. /**SLITZ**

WHY IT'S OKAY TO WATCH REALLY DIRTY PORN

DOES MY TASTE IN PORN SAY ANYTHING ABOUT ME?

Does my taste in porn say anything about me? Lately I have been watching a lot of really rough, demeaning stuff. Does it mean that I'm some kind of closeted sicko?

All your taste in porn really says about you, according to a study titled "Shifting Preferences in Pornography Consumption," by Dolf Zillmann of the University of Alabama, is that you watch an awful lot of porn. "People get reasonably bored with standard pornography if they've sort of overdosed on it," he explains, and they require an additional element of danger in order to keep getting excited. This natural evolution of taste is merely that and does not cause one to suddenly become a criminal if one was not a criminal previously. As we all know, a fantasy that stays a fantasy is of no harm to anyone. However, we must ask that you limit yourself to tamer stuff when the library is very busy and, as always, observe the 15-minute rule if there are others waiting to use the computer. /**SLITZ**

THEO PAPHITIS
/ MADE HIS FORTUNE THANKS TO HIS TALENT FOR TURNING FAILING BUSINESSES AROUND

By John Enar Karlsson
JOHN_SWEDISH@YAHOO.COM

Theo Paphitis is Britain's 343rd richest man. The millionaire entrepreneur made his fortune thanks to his talent for turning failing businesses around, including Ryman and La Senza, and has been on hit BBC show Dragons' Den for the past three series.

In his revealing and controverisal memoir, Theo not only takes the reader behind the scenes on Dragons' Den, he explains how he made his fortune. He also provides a masterclass in business methods that will enable anyone who reads this book to learn so much about how they too can improve their business.

In the book, Theo recalls how his family moved to England from Cyprus and how as a poor immigrant, he took whatever jobs he could, starting as a tea boy for Lloyd's. There, despite the handicap of his dyslexia, he began to take the first steps on a career that would net him a fortune. He reveals the methods that took him to the top, and also provides some fascinating insight into the national game from his spell as chairman of Millwall FC.

But, above all, this is a book that will provide all readers with the opportunity to learn from one of the nation's most successful businessmen and put his ideas into practice.

POOL PARTIES
– HOW TO STAY GLAMOROUS

POOL PARTIES are the hottest thing nowadays and people often ask me how they can still look glamorous in the water. Well, lucky for all of you there are tons of water proof make up available out there from foundation, mascara, eye liner and lipstick. So head out to your favorite make up counter and ask for them.

As for your hair, make sure you get regular hair treatments to avoid drying up from the harsh chemicals in the pool! By getting your hair trimmed often during summer time, you can eliminate a lot of split ends and damaged hair. You should also purchase a leave in conditioner for your hair if you will be exposed to the sun for several hours. There are many hair products available that contain SPF protection for your hair and scalp. If you have color treated hair, using a conditioner with SPF protection will prevent your hair color from fading.

No matter how you choose to stay glamorous in the water, there are some important things to bring to a pool party, beside bathing suit, change of clothing and fashionable Pool Attire. Make sure you bring a towel or two. Wear and bring along a high-number sunscreen and clothes that will provide a barrier to the sun when you are finished sunbathing. Wear a hat or sunglasses to protect your eyes. Regardless of what you wear to a pool party, remember to relax and have fun. NOW ENJOY AND BE FAB! /**SLITZ**

Sheree first caught the public eye when she was scouted as a member of the Viva Hot Babes. Further attention went her way as she landed roles in several sexy flicks including RoXXXanne, then graced the covers of some of the biggest magazines in the country, wearing in most spreads just perfume.

Few people know that this mocha-colored angel has chords made in heaven, yes this angel sings in a voice that could reach the sky. She has had concert with good friend and idol Patricia Javier entitled Sexy Idols Showdown, but also had a solo show prior to that appropriately called My Sheree Amor. Sheree also had some foreign exposure when she fused with the American band Lost Trailers in the year 2000. We had the pleasure to meet and ask this sexy babe some questions:

PROFESSION? Model, Singer, acretess and sexy star.

HOW DID YOU GET STARTED WITH ACTING AND WHAT INSPIRED YOU TO FOLLOW THE PATH YOU ARE ON NOW? I was a lounge singer before when I started in the industry. I had a band and we was invited to guest during the thanks giving for soldiers in Mindanao that survived the war in Mindanao. Aside from me, they invited a group of famous sexy actresses one of them was PATRICIA JAVIER. She was the one who first noticed me after my performance. I'm a big fan of Patricia. After the show I approached her and asked her if i could take a photo with her. I was surprised when she told me that she was thinking of putting up her own management and she offered to help me. I didn't believe at first but then she called me one day coz she was back in our town for a show and asked me if i wanted to hang out with her and kuya Wilhem, her road manager. She was an angel to me. She helped me all the way and was like a sister to me. She introduced me to Jessica Rodriguez and I was given a chance to pose for one of the best magazines in the world and surprisingly I made it into the cover, then everything started from there.

WHY SHOWBIZ? I've always wanted to be an entertainer. Every time I watch TV when I was a kid I've always dreamed of being an actress or a singer .I use to always tell myself that one day I'll see myself on screen.

I'm happy that I made it this far. I had a chance to be seen on TV. I made it to the covers of the magazines, received awards and nominations for my albums and knowing that at least people recognize me when I go out. I'm very happy that a lot of people supported me with my shows and still supporting every project I make. I am very thankful!
What also inspire me to give my best in whatever projects I have are the people who trust me and my talent.

IS THERE ANYONE THAT YOU LOOK UP TO AND MODEL YOURSELF ON? My mom and ate Pat.

WHAT'S THE BIGGEST MISCONCEPTION ABOUT YOU AS AN ACTRESS? People doesn't really know that I sing. :)

YOUR MOST MARKED CHARACTERISTIC? I have always play bad girl on TV shows, soap opera..

WHAT TYPE OF GIG WOULD YOU NOT ACCEPT? Stripping.

IS THERE LOTS OF INDECENT PROPOSALS IN THE INDUSTRY? As a sexy actress things like that cannot be avoided. But it always depends on the person. I had indecent proposals before mostly with married men. But I always follow what my heart is telling me. I'd rather work hard to get what I want, than to get everything the easy way. I believe that doing the right thing is always the best. It might not make you the richest person in the world but you can always go out and face the world with dignity and pride. I've accepted gifts from men who liked me before rest assured they know what I can only give in return. I never give false hope to people I am always transparent to men specially if I know they like me. Some of them gives me expensive things but if its too much that I cannot give back the things they expect from me, I return it. Like cars or house and lot or big amount of money.

Who says that Rock bands are all for the male ego? You could say that way back in the past, but not anymore. Bands left and right has ventured to have female vocalists for quite some time now. And when you say bands, you mean bands, in any genre for that matter and that includes rock. Not just ordinary rock, but a quintessence kick-ass-ROCK! Our local Pinoy-Rock music has long lived the industry with thousands of fans and followers from generation to generation since the 60's to date. Lots to mention but one stand-out among the rest and was recognized as the Golden Age of Pinoy Rock. And who else is best to carry on to perform the legends?

Rock princess as she is, being born the eldest of five siblings of Juan de la Cruz' band "Pinoy Rock" icon Joey 'Pepe' Smith, Queenie Smith proves she is more than just a pretty face.

Being the eldest, she is the closest to her dad. Famous as he is, it has never affected her in any way but positive. His inclination for composing songs is a genetic evidence of her love for song-writing. The music, the forte, the voice, and the aura are definite clear-cut, unambiguous proof of genuine pure-talent.

Her singing career has always been her passion ever since. Following the footsteps of her father, she embraced the rock & roll blood that is running through her veins. Music makes her alive. It tingle her senses and boosts her energy with zest. She will try any for the love of music. No wonder she also attempted to play the drums and guitars, but eventually carries out more to singing and composing. She would rather rock and dance on stage than sit down and play those instruments. Well, that's a lot of rock energy in the girl!

These past few years, Queenie has been around singing with her band in many neighboring countries like China, Singapore, Malaysia, Thailand, Vietnam, Indonesia, and also at the US Naval base to name a few. Traveling is fun for her, she benefits from it because she gets to learn about different cultures, different people, new taste of fashion, and new piece of music. She easily comes by to others for aside her sweet personality, she is a linguist too; she speaks more than just Tagalog and English. Try dropping her a line in Bahasa, Vietnamese, and Thai, and she is definite to reply.

But that does not end there. She is also into fashion. Just recently, early this July, she was one of the hot chicks who struts their hips and booties on the small catwalk of the Bureau. The place was packed with pretty models and hotties for all to feast their eyes to and photographers to click their cams away. With the Rock princess, the event was a success. To add more into her fashion world, Queenie fancy tattoos! She loves her Philippine flag tattoo on her hand, it show the patriotic side of her. Pinay pride!

On a broad-spectrum, you can view Queenie Smith as a stand-up comedienne, a fashionista, a model, a band vocalist, a rock singer, and who knows, maybe showbiz too! She is the rock and roll icon's daughter anyhow!

Kidding aside, this charming lady is a picture of a modern Pinay. She is a Rocker yet a sweet persona; intellectual yet bubbly; adventurous enough to want to try new things yet focused on what she really wanted to do; and what does she really want to do today? Sing of course! But this time, no more covers! It's the Queenie-way. Her way or the highway! Her type of music is one with the heart. The reaching

out genre of melody, the kind that connects her to the people who listens to her songs in joy or grief; in love or in misery; she wants to be there and be felt through her music.

On a personal note, she is quite a character that people will easily love. Her personality is a fusion of rock and melodic tune that brings harmonious sway to whom that listens.

Her feet touches the ground, her head never swells, and humility is within her as she loves her fans and would greatly enjoy a charitable work anytime. You will be ecstatic to know how amazing she is. A real deal, a one-unique lady… the Rock and Roll royalty… SLITZ' Rock princess, Queenie Smith, Rock on! /**SLITZ**

TYRA JOINER

HOW LONG HAVE YOU BEEN MODELING? I've been modelling for almost 4 years, an agent discovered me through a friend when we watched a fashion show in robinson mall.

WHAT HAS BEEN YOUR MOST MEMORABLE WORK EXPERIENCE? My most memorable work experience is our recent shoot in El nido, Palawan, that place is one of my dream destination, I was really enchanted by the place and the crew was also nice and cool.

WHAT TYPE OF MODELING IS IDEAL FOR YOU AND WHAT TYPE OF GIG WOULD YOU NOT ACCEPT? I can do print ad, events modelling, commercial and ramp modelling, im into swimwears and lingerie mostly because of my smaller frame. I can't do too much revealing shot and nude though. Im also not into body paint modelling.

ANY NEW PROJECTS OR PLANS WE SHOULD ANTICIPATE? A friend of mine suggested that i should try my luck abroad, he said that exotic looking models with a mixed race like me is in demand all over Asia. So i might consider it. :)

WHAT'S THE BIGGEST MISCONCEPTION ABOUT YOU AS AN MODEL? Most people think that modelling job is easy money. Sure the money is good if you work hard, but there's no such thing as easy money. Some people also think that all models are party freak, personally i'm not into partying that much so i think its another misconception.

DO YOU GET TO TRAVEL A LOT, ANY FAVORITE TRAVELING DESTINATION? Yes I do, I went to travel all over Philippines and some countries in asia but my personal choice is Bohol, I love the beach, and it has the best islands and marine sanctuary, the natural wonder of chocolate hills and the smallest primate--the tarsier. What more can i ask for?

IS THERE LOTS OF INDECENT PROPOSALS IN THE INDUSTRY, ANY STORIES? Yeah, there are lots of indecent proposals. But I think I dont want to elaborate on that matter. lol

ARE YOU SINGLE? Yes I am, but im dating.

WHAT KIND OF GUY GETS YOUR ATTENTION? I like the smart type of guys who have interesting things to say in a conversation and a sense of humor is a plus. I also like those who are succesful in their field coz it means that they are hardowrking too.

AYA MONTEZ

HOW LONG HAVE YOU BEEN MODELING? I've been modeling for a year now. I got into it because I needed a sideline to make extra bucks and modeling was the best job I can do during those times. The money used to count but now, it became my passion and career.

WHAT HAS BEEN YOUR MOST MEMORABLE WORK EXPERIENCE? My most memorable work experience is my photo shoot for Playboy magazine in Laoag, Ilocos Norte. I didn't expect that I will be treated like a VIP and celebrity. I thought it was just going to be an ordinary shoot but everyone wanted to take my picture and everyone was excited to see the new playmate. It was all a new experience for me and the whole Playboy staff were helluva funny. So we all had fun at the same time, it's my most unforgettable moment in my whole modeling career.

WHAT TYPE OF MODELING IS IDEAL FOR YOU AND WHAT TYPE OF GIG WOULD YOU NOT ACCEPT? Recently I just got into a lot of pictorials that I get paid for. It's really my dream to land in magazine spreads and do print ads so I take every opportunity I get, just like this one. Since I'm starting to get gigs in photoshoots and became part of the Playboy family, I stopped doing promotional events. I would like to do something more like hosting, acting, or become a performer.

ANY NEW PROJECTS OR PLANS WE SHOULD ANTICIPATE? Well, sometime this year my UNO issue will come out. And watch out for our upcoming Playboy Academy this July. Sorry, but I can't spill the details yet. It's a surprise!

WHAT'S THE BIGGEST MISCONCEPTION ABOUT YOU AS AN

AYA MONTEZ

WHAT'S YOUR RING TONE RIGHT NOW? I got a bottle by Trina.
SNEAKERS OR STILETTOS? Depends! I only wear stilettos during special events.
EARLY BIRD OR NIGHT OWL? Night owl!
BEST PARTY PLACE? Anywhere as long as I'm with my peepz. But usually I would prefer house parties. We have our friend's crib at Caloocan where we used to jam and party a lot. I miss it there.
FAVORITE ALCOHOLIC BEVERAGE? Nothing can beat a nice bucket of BEER! haha. Red Horse or San Mig would do.
WHAT ARE THE TOOLS YOU COULDN'T LIVE WITHOUT? Cellphone, make-up, and computer with internet access.
YOUR 5 FAVORITE SITES ONLINE? Facebook, Friendster, Multiply, YouTube, Newgrounds.

TYRA JOINER

WHAT'S YOUR RING TONE RIGHT NOW? Single ladies lol
SNEAKERS OR STILETTOS? Stilettos are sexy (I like flipflops the most).
EARLY BIRD OR NIGHT OWL? Night owl! I think I have insomnia.
BEST PARTY PLACE? Embassy is always the best :)
FAVORITE ALCOHOLIC BEVERAGE? Vodka and redwine
WHAT ARE THE TOOLS YOU COULDN'T LIVE WITHOUT? My cellphone, laptop and camera.
YOUR 5 FAVORITE SITES ONLINE? Facebook, truTV, youtube, google and gsm arena.

CHIAKI MORITA

WHAT'S YOUR RING TONE RIGHT NOW? Sony Ericson Ring tone
SNEAKERS OR STILETTOS? Stilettos, of course! hehehe
EARLY BIRD OR NIGHT OWL? Night owl since I love to go out during night time..
BEST PARTY PLACE? At the Fort and the beach in boracay.
FAVORITE ALCOHOLIC BEVERAGE? Margaritta.
WHAT ARE THE TOOLS YOU COULDN'T LIVE WITHOUT? Cellphone, Laptop, pepper spray(hahaha!).
YOUR 5 FAVORITE SITES ONLINE? Multiply, Friendster, Facebook, ModelMayhem and Medical Online sites.

MODEL? A lot of people stereotype us as the "dumb blondes". And what I hate the most is when guys take me for granted because I'm just a piece of ass to them or they became too intimidated that they judge before getting to know me. I'm also human, I still have my flaws, and dang!.. I eat! I love to eat and I'm not conscious about ruining my figure or what. People should start learning how to see me as a person and not just as a model. Like me for me!

DO YOU GET TO TRAVEL A LOT, ANY FAVORITE TRAVELING DESTINATION? Yes I do! Because I never get to travel out of town w/ my barkadas when I was in my teens coz my family was very strict. But now, I get to travel anywhere I want. So far, I still love it in Puerto Galera. I love the night life there! But in truth, it doesn't matter where you are as long as you are with the people you love.

IS THERE LOTS OF INDECENT PROPOSALS IN THE INDUSTRY, ANY STORIES? When you work for 8 hours and still get underpaid and when agents call me up to do P.R jobs. There was this agent offering me 5 thousand bucks to blowjob his client. I mean wtf, I'm A MODEL, NOT A HOOKER.

ARE YOU SINGLE? Yes. I'm single and ready to mingle! ;p

WHAT KIND OF GUY GETS YOUR ATTENTION? I'm head over heels over guys who are genuine comedians, guys who can make me laugh without trying so hard and even if they're not good looking. It's also a plus plus if they are talented especially, guitarists and dancers!

CHIAKI MORITA

HOW LONG HAVE YOU BEEN MODELING? I've been modeling for almost 7years… Before, I didn't expect to become a model. Even with my combined beauty of my mixed ethnicity (Japanese-Chinese-Filipina), my shyness and low self-confidence stood in the way. However, due to my persistence and support of my Agent, family and friends, I decided to take that leap at the age of 15. I was scouted by a manager named "Tito Fernan" while having coffee conversation with my best friend at Fridays Sta.lucia.

WHAT HAS BEEN YOUR MOST MEMORABLE WORK EXPERIENCE? I've won in Faces of 9 International Model Search and become known as one of the 9GIRLS Model in China, I considered it as my biggest break in the Print ads modeling for International Ads Campaign of 9Play casino, after that project my modeling career skyrocketed. Even now, I was also chosen by FHM to be their GF of the Month on July 2009.

WHAT TYPE OF MODELING IS IDEAL FOR YOU AND WHAT TYPE OF GIG WOULD YOU NOT ACCEPT? PRINT ADS MODEL – In this line of Industry, Models are generally not expected to verbally express themselves. I prefer to be employ as a Print ads Model for the purpose of displaying and promoting fashion clothing, products for advertising or promotional purposes and poses for works of art. As a model, I can easily express myself with confidence while showing my expressions in the photographs, I love to display at front of camera having intense emotion, good posture, correct motion of hand and appropriate use of mouth and eyes. Various representations of beauty and products in Print and fashion may cause some social impact especially for young people, artists and other aspiring models. It's seldom for me to attend Gosee for Ramp or Runway show since my height is not ideal as a ramp model. =)

ANY NEW PROJECTS OR PLANS WE SHOULD ANTICIPATE? I was chosen as one of the actress in short film which will air in Japan. The project will start to work on by this coming September.

WHAT'S THE BIGGEST MISCONCEPTION ABOUT YOU AS AN MODEL? A lot of People who are not into modeling (specially in Philippines) are offended in seeing me as a model in lingerie, bikini and artistic nude photograph, they are not aware that kind of concepts are considered as a fashion, glamour, and art. I just want to emphasize that I'm committed with modeling as a professional (attitude) person and I am enjoying it. Do not generalize that all ladies doing lingerie and bikini show and artistic nude in photographs are can be considered as a BITCH (attitude)!

DO YOU GET TO TRAVEL A LOT, ANY FAVORITE TRAVELING DESTINATION? Yes and I love to witness the Sakura Trees (cherry blossom) in Japan every Spring season.

IS THERE LOTS OF INDECENT PROPOSALS IN THE INDUSTRY, ANY STORIES? I don't have stories that I can share. =)

ARE YOU SINGLE? Fortunately, I Have a very understanding and Handsome Model Boyfriend =)

WHAT KIND OF GUY GETS YOUR ATTENTION? Talented (sport, sing, dance), Neat, Humble, He got Good attitude in talking (I don't like guys who speak in trashy way), Chinky eyes (-_-) and athletic body. /**SLITZ**

KAYCEE

interview_SHALINA SILVA / PAIGE.SLITZMAG@YMAIL.COM AND JOHN ENAR KARLSSON ★ photography_JULIAN GARCIA ★

PROFESSION? Model.

HOW DID YOU GET STARTED WITH ACTING AND WHAT INSPIRED YOU TO FOLLOW THE PATH YOU ARE ON NOW? People, friends and certain connections have encouraged me to get into it, and I've always passed up the opportunity thinking I wasn't good enough for it. Finally, I faced my fears and decided to do something about it and hence, here I am!

WHAT HAS BEEN YOUR MOST MEMORABLE WORK EXPERIENCE? Promotion model for RockStar at an MMA tournament. Having to be in the ring and strutting my stuff for the masses gives me a rush! Its always nice to see the response you get when you're out there and everyone encouraging you. :)

IS THERE ANYONE THAT YOU LOOK UP TO AND MODEL YOURSELF ON? Angelina Jolie because not only is she beautiful but she does a lot of things for charity, outreach programs and lastly she's my twin! Everyone says I look like her! LOL.

WHAT WAS YOUR FIRST BOOKING AND HOW WAS IT? Working with RockStar energy drink, we always do big events, its high powered and its always fun!!

WHAT'S THE BIGGEST MISCONCEPTION ABOUT YOU AS AN ACTRESS? People judge the book from the cover and there's alot more to me than just looks. Get to know me and I guarantee you won't be disappointed! :)

YOUR MOST MARKED CHARACTERISTIC? My personality but its my eyes that gets to most people.

WHAT TYPE OF ACTING GIG WOULD YOU NOT ACCEPT? I would do anything but Porn.

IS THERE LOTS OF INDECENT PROPOSALS IN THE INDUSTRY? Oh yea. There is a differnce between a professional and a guy with a really nice camera that wants you naked..

WHAT TURNS YOU ON CREATIVELY, SPIRITUALLY OR EMOTIONALLY? What turns me on creatively would be the different types of environment that a photography set can have. It provides really good inspiration for a theme I would like to do at photoshoots. Its amazing what you can come up with when you have a photographer and model working together to come up with something unique. Spiritually, just being a good person and seeing that karma coming back around. I believe in karma! What fuels me emotionally is my friends and family.

HOW DO YOU GO ABOUT TO MARKETING YOURSELF? The usual websites, Myspace and Facebook. What else is there? LOL!

YOUR FAVORITE VIRTUE? My favorite virtue is perseverance I really admire those who can hold on until the end.!

WHAT DO YOU WEAR WHEN YOU SLEEP? Booty shorts or nothing. I can't sleep with clothes.. egh

YOUR TOP 5 MODELING WEBSITES? 5?? I can name one, www.modelmayhem.com. Its the best there is! :)

ANY NEW PROJECTS OR PLANS WE SHOULD ANTICIPATE? Nothing really. I haven't been modeling long enough to plan a project. Projects really just happen for me and I either accept them or I don't. I try to choose projects or theme shoots from photographers that would benefit me and take me further in my career as a model. Hopefully it will lead up to Playboy, who knows? LOL /**SLITZ**

ADULT STAR /DIRECTOR

interview_SHALINA SILVA / PAIGE.SLITZMAG@YMAIL.COM AND JOHN ENAR KARLSSON ★ photography_JULIAN GARCIA ★

PROFESSION? Pornstar, Director, Camera Operator, Event Promoter.

HOW DID YOU STARTED IN THE ADULT FILM INDUSTRY AND WHAT INSPIRED YOU TO FOLLOW THE PATH YOU ARE ON NOW? I got into adult films the way most guys do. I was dating one of the girls in the business and she basically recruited me saying I had the skills and the dick to do the job well. Who was I to argue? As I learned about the business from being on sets fucking to how to produce I let my creativity and admiration for good erotica develop into who I am as a performer and producer, for example, creating websites like PORNVALLEYSLUTS.COM. I took the time to learn the right way to make a quality product that fans would enjoy. I learned from the best in the business and owe them a debt of gratitude for bringin me up to where I am now.

IS THERE ANYONE THAT YOU LOOK UP TO AND MODEL YOURSELF ON? There are definitely several performers and producers I look up to like my friends Evan Stone, Tommy Gunn, Vince Voyuer and the late Buck Adams who I had been close friends with well before the business as I roomied with his daughter where I grew up in Orange County Ca. Thats just the tip if you dont mind the pun, I know and am friends with most everyone in the biz and there are too many to name. I do also Look up to Nina Hartley who was one of my first models I worked with after getting in. She gave me insight that made me a better and more professional talent. As far as producers, I owe a lot to guys like David Lord, Andre Madness, PornPros chief shooter Todd Todd and my good friend Mark Zane.

WHAT'S THE BIGGEST MISCONCEPTION ABOUT YOU AS AN ADULT STAR? Good question! I find that people who aren't in the business have little understanding of what goes on as would be expected. Stereotypes get mentioned in regards to us being dirty or unsafe people when in fact we endure full panel DNA testing every 30 days through AIM Healthcare, a clinic ex pornstar Sharon Mitchell opened up many years ago to insure the safety of us all. Bless her heart for it. I also see some thinking we have to be an uneducated bunch to do what we do (ie. Boogie Nights) for lack of doing something more astute. The fact is some of us are but most of us are college grads and outstanding in business. The numbers don't lie. We host a multi billion dollar industry and have the time of our lives leading sexually liberated and fulfilling existences.

YOUR MOST MARKED CHARACTERISTIC? I'm known throughout the industry as a bad ass having been a professional boxer before entering into porn. Truth is I can fight but prefer to in a ring with other trained fighters. I am also known for doing very rough scenes. I like working with girls who like a very dominant male, you know, the ones with rape fantasies. There are more out there than you might expect. Who needs flowers and a soft night of romance when you can be dick drunk for three days after reliving in your head how you were ravaged just nights before. I think most women would prefer that over the latter.

WHAT TYPE OF GIG WOULD YOU NOT ACCEPT? I only do straight porn. I love pussy and could never betray it. Some guys cross over into the gay market to work but it's something I wouldnt do. I do appreciate that I have a gay fan base so I did a solo scene in a video for Mercenary Pictures called Handyman and I hope they're happy because it's doubtful I'll ever do another. I also keep away from degredation scenes. Meaning I won't sub in a BDSM scene...did it once to know how to be a better Dom and I really didn't dig the experience. I'm strictly Dom and a damn good one at that so why change?

IS THERE LOTS OF INDECENT PROPOSALS IN THE INDUSTRY, ANY STORIES? Well guys we could be hear for days on that one.. Yes many proposals come through different channels. Some worth following up on and others not so much. A lot of swinger couples in LA who like us porn kids. I have been with celebrity couples more than a few times. Can't say names as is their wish but trust me... You see them in movies all the time. I enjoy fulfilling fantasies for women so sometimes I will meet up with one who has contacted me

and often times the experience is out of this world. I enjoy sex in my personal life even more than on camera.

WHAT TURNS YOU ON CREATIVELY, SPIRITUALLY OR EMOTIONALLY? Creatively I enjoy fucking hot chicks in obscure places. Whether in public, an industrial setting or a beach. I am a voyeur and enjoy being watched. Spiritually I enjoy company that is open minded and free flowing personality wise. Willing to try new things and push themselves sexually to the limit. Emotionally I guess if she's smiling thats the emotion I'm looking for haha...

HOW DO YOU GO ABOUT TO MARKETING YOURSELF? I market myself through the web. Sometimes I do radio shows or mag interviews like this. I think every fan has a preference to what they like and mine gravitate to me through seeing me once on film. I got a dirty mouth ya see..

YOUR FAVORITE VIRTUE? My favorite virtue is trust. As a rope rigger, Dom and one who rough scenes, I enjoy developing a bond of trust with my partners so they can enjoy the experience without the fear of being taken past their threshold too far. I read energy like a book so I know when she is enjoying and when she is past her comfort zone and adjust accordingly. It's not sex if both people don't cross the finish line, Up til then it's just a favor from one to the other.

ANY NEW PROJECTS OR PLANS WE SHOULD ANTICIPATE? I have a few new projects getting ready to come to market. One being the show I just filmed and edited for UK Pornstar Layla Jade and UK based cable company Television X. It's called "Layla Jade Does Hollywood" ...A show based on the underground sex scene of LA and ending with a UK performer fucking and American performer in this case my friend and fellow talent Jack Vegas drilling the hell out of an energetic and extremely sexual UK babe named Poppy Morgan. It was a fantastic production. I did my best work on it and look forward to hearing from my fans and peers on how they liked it.

I'm currently shooting with Hustler Taboo photographer Ken Marcus different models in predicament bondage sets to use the picture on a skateboard line some of my old friends in Venice Beach put me up to. It's a great idea and Im glad to be doing it.

I started working in production for New Sensations and recently helped wrap the new parody film they are marketing soon. They do top quality productions and I'm learning every day I'm on set. It's awesome to be a part of and it encourages me to keep the same standards when producing my own content for web or otherwise.

YOUR TOP 5 ADULT WEBSITES? Well I have to say PORNVALLEYSLUTS.COM is my fave of course but I also like Bang Bros, Reality kings and one that I perform in regularly called cumonherface.com. As far as number five goes, I have to say RavenAlexis.com. She is so hot and a good friend. That girl is for real through and through, A luxury your don't see every day anymore in the business.

OTHER THAN PORN? I love the beach, fine dining, going to fun events and clubs. I enjoy spending time at the gym working out or curled up with a hottie at my place watching some cult classic film. Just things that most enjoy. Oh yeah...and SUSHI! /**SLITZ**

ANTHONY P. CALLANTA

interview_JOHN ENAR KARLSSON ★ photos by_ANTHONY ★

WHAT IS THE SIGNIFICANCE OF YOUR DJ NAME? "dj tonyo" - it's a street alias w/c is not that common and very easy to remember (there's a lot of Anthony's in the world).

WHY DID YOU GET INTO DJING? Started as a hardcore clubber (lover of trance music) in Malate way back in 1997 and I always looked up to dj's then one approached me and offered if I wanted to learn mixing.. It was an RnB joint and when I requested trance music, he was amazed because at that time only a few really appreciates techno.. I spent my nights practicing when the bars were closed so I could spin freely w/o the management knowing.

YOUR BIGGEST GIG SO FAR? It's not the biggest but I had so much fun, it was at Mondial (behind Alchemy, Tiendesitas).. I spun side by side with a Team Switch dj of Embassy w/c was an honor for me.

HOW LONG HAVE YOU BEEN A DJ? 6 years and going strong.

WHAT'S YOUR FAVOURITE TRACK THAT YOU LIKE TO PLAY? "Where's your head at" by jean ellan.. Definitely a crowd favorite.

WHAT WAS YOUR FIRST BOOKING? Triad Bar in Timog.

WHEN YOU ARE UP THERE DO YOU HAVE A PLAY LIST OR DO YOU READ THE CROWD? I read the crowd.. Music may sound good but the question is, does the crowd like it as much as you do?

BEST DJ EXPERIENCE? Spinning with my mentors and doing opening acts for them.

DO YOU PREFER PLAYING AT CLUBS OR BIGGER EVENTS LIKE RAVES? Events because the crowd are mostly dj's checking out what ammunition ya got.

WHO AND WHAT ARE YOUR INFLUENCES? Moony, Kaskade, and of course my mentors (oj and owen) who always told me to keep my feet on the ground no matter how far i get.

HOW WOULD YOU DESCRIBE YOUR SOUND? Upbeat electro, the kind that will make you stand up and dances like there's no tomorrow.

DOSE IT COST LOTS OF MONEY TO BECOME A DJ? If you buy your own equipment then yes it does.. Unlike me, I just spent my practice runs on closed bars in the wee hours of the morning and treating the whole staff a bottle of whiskey.

WHAT CLUB/EVENT WOULD YOU LIKE TO DO? Whatever comes, right now Jook has helped me a lot and we have something big for the peepz in the near future.

FUTURE PLANS? Spin in Malaysia, Macau, Singapore, and finally Japan..

YOUR BEST DJ WEBSITES? Well i do check info's about dj's and new music via youtube w/c everyone does or simply visit other dj's personal profile and party promoter's sites.. right now, youtube is the most powerful dj tool on line. / **SLITZ**

VERITAS RS III!

MODERN VERSION OF THE FIRST GERMAN FORMULA 1 RACING CAR

Words_JOHN ENAR KARLSSON ★

The Veritas RS III, the modern version of the first German Formula 1 racing car, leaves you in no doubt about its heritage thanks to its impressive design, perfect engineering and incomparable responses.

The sheer power needs to be mastered– without the invisible help of today's otherwise omnipresent electronic aids, such as anti-skid brakes, traction control and power brakes.

The Veritas RS III recreates the pure feeling and fascination of an authentic racing car: true race feeling.

On the basis of the BMW 328, Ernst Loof, Schorsch Meyer and Lorenz Dietrich build the first 'BMW Veritas' and begin an incomparable series of racetrack victories in 1949:

A Veritas wins its first race in front of 300,000 fascinated spectators in the first race after the Second World War. All in all, the successful racing car wins 13 German Championships and takes 29 first places within just a few years.

From 1951, the 'Veritas-Nürburgring' is made in the pits of the Nürburgring racetrack.

AUDI S5 CABRIOLET

THE JOY OF OPEN-TOP DRIVING

Words_JOHN ENAR KARLSSON

Dynamic and wonderful to look at, the new A5 Cabriolet is a real Audi, and an especially exciting one at that. The four-seater with the fabric top combines a sporty character with the fascination of open-top driving, refined comfort, and great everyday utility. Seven powerful engines, an agile suspension and a wide range of high-end options make the new Audi model the most attractive mid-range convertible.

The top-of-the-line model of Audi's new family of convertibles is the S5 Cabriolet. The engine of the S5 Cabriolet is the newly developed, supercharged three-liter V6 with gasoline direct injection. Prices start at EUR 37,300 for the 1.8 TFSI with 118 kW (160 hp) and six-speed manual transmission. Delivery of the first A5 Cabriolet models will begin in the second quarter of 2009.

The top-of-the-line model of the new Cabriolet production series from Audi is the S5 Cabriolet. The letter "S" stands for Sport – for dynamics, performance and power, but also for amazing efficiency. /**SLITZ**

944 MEDIA

-AMERICA'S COOLEST ENTREPRENEUR

interview_SHALINA SILVA / PAIGE.SLITZMAG@YMAIL.COM AND JOHN ENAR KARLSSON ★

Marc Lotenberg founded 944 Media (www.944.com), a marketing company that publishes a lifestyle and entertainment magazine, using money he had received for his Bar and "an unbelievable amount of creadit card debt". In total, he says he maxed out seven or eight cards to launch 944.

944 Media newly cquires acquires assets of Six Degrees magazine and its Web site portal (www.sixdegreesmag.com). The monthly fashion and entertainment publication will join 944 Media's existing portfolio of seven lifestyle publications in the nation's leading entertainment hubs.

"The addition of Six Degrees to our portfolio positions 944 Media with the largest regional lifestyle media groups in the country based on circulation and frequency," said CEO and Founder of 944 Media, Marc Lotenberg. "The expansion shows our dedication to remain true to our early roots and focus on the power of youth marketing."

With the acquisition of Six Degrees magazine, 944 Media will circulate more than 330,000 audited magazines per month for an annual national distribution of 4 million copies. At a 7.2 pass-along rate, the media portfolio will reach a readership of 29 million per year.

Currently operating in the Atlanta, Detroit, Miami and Las Vegas markets, Six Degrees magazine is a pocket-sized publication that focuses on topics defined around culture, style and city living. With a circulation strategy similar to that of 944 magazine, Six Degrees is distributed complimentary at more than 2,400 unique locations, with a total circulation of 90,000 copies per month. The communications company targets a male and female-based audience between the ages of 21 and 32 with a media portfolio that encompasses a magazine, Web site, viral marketing and special events arms.

As part of the transition, Six Degrees will appeal more to young influencers with an emphasis on user-generated content and grassroots marketing. In an effort to expand the job market and remain true to its startup approach, 944 Media will strive to provide additional employment opportunities at Six Degrees for new college graduates, interns and aspiring journalists and photographers.

April 30, 2009, will mark the debut issue of Six Degrees magazine under the 944 Media umbrella. The publication will continue to operate in its current markets, with plans to expand into two of 944's existing markets in 2009, and three markets in 2010.

"Both 944 and Six Degrees are powerful brands in the cities in which they publish, and both utilize a multimedia platform to market a progressive magazine and forward-thinking Web site, while executing exciting signature events," said President of Six Degrees Michael George. "The alliance is a win-win, and the synergies between the two brands could be endless in connecting with a vast growing demographic of consumers."

The Six Degrees staff will merge into the 944 offices in both the Miami and Las Vegas markets, while the Atlanta and Detroit editions will continue to operate with the current staff. /**SLITZ**

Driven by an arsenal of city-specific lifestyle publications in the country's largest entertainment hubs, 944 Media has created a unique lifestyle portfolio specializing in print and online content, special events and a custom publishing division. Founded in 2001, 944 is setting the pace for a new generation of innovative media trends, projecting a standard of living for the accomplished, upwardly mobile tastemaker through an all-inclusive resource. The conglomerate capitalizes on a hyper-local publishing model that balances regional and national content, while an immediate print turnaround allows each issue to hit the streets within 24 hours of close. The digital platform, 944.com, has extended the reach of the publication with daily content attracting more than 2.5 million unique viewers per month. Through an innovative supply chain distribution platform, 944 Media circulates more than 4 million copies per year, with more than 6,400 strategic distribution locations and placement in 25,000 luxury hotel rooms nationwide. In 2008, 944 Media CEO and Founder Marc Lotenberg was named one of "America's Coolest Young Entrepreneurs: 30 Under 30" by Inc. magazine for innovative business and entrepreneurial practices. www.944.com

INTERNET CELEBRITY
-THE NEW FAME

interview_JULIE PEARL LAQUINTA AND JOHN ENAR KARLSSON ★ graphics_MICHAEL LORENZO ★

With everything going micro and attention spans downsizes to mere glances, how can one become an internet celebrity? To launch a website and then wait for things to happen are not enough, and its no longer about getting "15 minutes" fame; it's about becoming famous to 15,000++ people.

The Internet allows the masses to wrest control of fame from traditional media, creating micro-celebrities with the click of a mouse.

Today internet provides every narcissist tools any micro-celebrity wannabe needs. All you have to do is choose what tools you want to use, some of your choices might be; ***youtube, myspace, facebook, twitter*** etc. Before selecting your tools, decide beforehand the type of online celebrity you want to be. Are you an aspiring camwhore like Ellen Adarna, an anecdotal comedian like HappySlip, a misunderstood celibate in the form Pablo Banila, a controversial blogger in the vein of Brian Gorrell, or are you into the anonymity game of popularizing memes i.e. Inday and Ederlyn? Take a pick or better yet create your own style!

PUBLISH YOURSELF Facebook, Myspace and Multiply can get you known, it provides you identity and a base where your followers can interact with you. If you're not a Pablo Banila computer genius using bots to crawl into Friendster viewing histories, benefit from bigtime sites like Facebook.

Commensalism is a key here, much like what Julia Allison did with the gossip website Gawker (www.gawker.com). Relentlessly self-promote yourself in popular sites by commenting, making buzz-worthy remarks on posts while at the same time linking your page there. You might get rages because of your attention-whoring, but hey, that's how most internet celebrities got their raves.

GLITTERIZE So now you have made yourself known, but known isn't synonymous to popular. You might have drawn in a following; the thing now is to make them stay, if not come back for more. Who would interest you if you're not interesting? Stylize your site with contents that would wow viewers, but let it be something that no one else has...yet. Pioneer on something, it's a great plus.

LINKWHORE You're a Multiply celebrity now, but do people on Plurk or Twitter know you? Spread notoriety or its better equivalent in other sites. You've created a kingdom, now conquer others. What to do: Link one site to the other.

OVERSHARE At this point, you probably have 15,000++ followers in your social network. People follow you for updates, and updates you will have to give—frequently. Keep the mass of your base, and possibly increase it by continually giving them feeds, to the point that it annoys them. But seriously, apply the Glitterizing method here: post interesting things.

INTERACT Again, the object of microfame is celebrity-devotee participation. The Linkwhoring and Oversharing can't only be done by you, your fans might have greater spreading powers. Respond to comments, make them feel you're approachable. A better way of doing this is to make powerful allies. Befriend other prominent internet figures, chances are, they may make

Local Internet celebrities:

ELLEN ADARNA - a pretty Cebuana whose pictures leaked all over the internet spawning hundreds of posers using her name and face online

PABLO BANILA - a 'literary genius' who used crawler bots in Multiply and Friendster to get attention
www.pablobanila.com

TRACY ISABELLE BORRES - a college student who posted a very racist note in her Facebook account about the Aetas.

BRYANBOY - His eponymous blog attracts 180,000 visitors per day. Fashion 2.0's biggest superstars" and a "phenom in the fashion blogosphere".

WEEKEND TRIP
-SHANGRI-LA MACTAN, CEBU

interview_JULIE PEARL LAQUINTA ★ photography_JOHN ENAR KARLSSON ★

Get away from the heft of the everyday big city haste, even for just the weekend. Shangri-la Mactan offers a perfect relaxation package fit for your quick stop. It's a place where work, family and party can exist in harmony. A one-hour plane ride from Manila can take you to the place, located in Cebu, 2007's seventh best island destination in the Indian Ocean-Asia region, as dubbed by UK-based Condé Nast Traveler Magazine.

Unwind on the resort's sleek contemporary furniture, while enjoying the breathtaking view of the Visayan Sea, facing the luxurious accommodations of the hotel. The CHI Spa is best in replenishing even the most worn out vacationer. The latest in-room communications and media amenities can get you connected to any work left in the metro. Shangri-la's exquisite dining facilities will make any luscious meal more appetizing than it already is. For the kids, the Adventure Zone and indoor playground can keep them entertained while the adults are off to the karaoke rooms or chilling in the lounge area. /**SLITZ**

BALESIN ISLAND
POLILLO, QUEZON PROVINCE

I was with a film crew doing a documentary on Quezon province, and our last stop was Polillo Island in the Pacific Ocean. It was so off the beaten tourist track that the only cars on the island were owned by the town government and water district, and the only public transport between the two towns was a jeepney that made only one round trip every day. But we went even more off the track with a day trip to Balesin Island.

We rented a small fishing boat and left Polillo at 4am to travel four hours southward to what used to be a private resort island. With crystal clear water showing coral underneath, sand as fine as Boracay's, and amenities like a clubhouse, golf course, and swimming pool, Balesin was rumored to be Ferdinand Marcos's getaway with his mistresses.

But when we got there all that was left were the beach huts, the shells of the cottages and clubhouse, and the little village that supported the old resort. The golf course was overgrown by jungle, and the rich and famous no longer came to grace those grounds. But the sand was still soft and the water still clear, and before we set off again for the 4-hour trip home, the villagers cut open a coconut for me fresh off a tree.

LUNETA RIZAL PARK

LUNETA RIZAL PARK

JUMBO KINGDOM

CHINESE GARDEN

THE RED LIGHT DISTRICT

THINGS TO DO!

>> THE RED LIGHT DISTRICT

P. Burgos isn't really a good place for a decent tourist to be. It is the red light district of Makati City (kind like Soi Cowboy of Bangkok), and not a very clean area since the foot and vehicle traffic in that area is high. It is located 5 minutes walk from Rockwell's PowerPlant mall. P. Burgos is an easy 30 minute drive from the Ninoy Aquino International Airport and the Manila Domestic Airport. Walking distance to various bars and restaurant along P. Burgos and Jupiter Street, within walking distance to the business and shopping area including the city's major hotels, banks, airlines offices and restaurant.

Ringside Bar, P Burgos Street, Makati, Metro Manila: This establishment features lady- & midge boxing, oil wrestling & pillow fights, along with an annual Miss Bikini World contest. It's one of the 'attractions' in this red light area. I won't be attending anything there...

Jupiter street is more decent, and has great karaoke bars (the decent type, not like the ones along Burgos). Just walk up and down Jupiter St, and you'll find international restos and bars.

>> RIZAL PARK

The 58-hectare (143 acre) Rizal Park is named after Dr Jose Rizal, renowned Philippine anti-colonialist, writer, and philosopher. The park is one of the largest in South East Asia, and is a green lung much used by the residents of Manila for recreation

>> JUMBO KINGDOM

One of Hong kong's tourists attraction now in Manila, the Jumbo Kingdom Floating Restaurant in Manila Bay.

>> TEAM MANILA LIFESTYLE

Team Manila Lifestyle store sell graphic-designed t-shirts, bags and accessories with inspiration by Filipino culture. Stores located in Mall of Asia and Rockwell.

>> THE CHINESE GARDEN

The Chinese Garden is located beside the Rizal Park in Luneta. Admission fee is five Pesos. The Manila Chinese Garden has seen better days, as its not that well maintained anymore.

>> ICE SKATING RINK

After almost 14 years of operations, SM Ice Skating Rink has established three rinks: SM Megamall, SM Southmall, SM Mall of Asia International Skating Rink. From a purely recreational perspective, SM is embarking to transform and develop highly-competitive skaters to world-class standards.

>> GREENBELT PARK

This is a pocket of peace and quiet in the very heart of Makati's busy Ayala Center. Bordered by the Ayala Museum on one side and a string of eateries on another, Greenbelt Park draws a mixture of office workers, young lovers and churchgoers.

>> AYALA MUSEUM

The museum showcases artifacts like trinkets, antique religious statues, and clothing from the various cultures of the Philippines. It has also added a light and sound exhibit that recreates the EDSA Revolution that led to the fall of the Marcoses.

Submit Updates on Philipine Attractions to: update@slitzmag.com

>> CHINATOWN

This part of Binondo has been a Chinese enclave for centuries. Start your tour at Binondo Church, and from there head for the area bordered by Ongpin, Quentin Paredes and Gandara Streets. This area holds mooncakes and sweetmeats, lychees and oranges, strange medicines made from unmentionable animal parts, oodles of noodles, and yellow Chinese gold. You could do part of your tour in a calesa (horse-pulled rig), but settle the price first. Be sure to stop in and visit Bahay Tsinoy Museum, filled with history.

>> INTRAMUROS

The oldest part of Manila is the medieval Spanish walled enclave of Intramuros on the southern bank of the Pasig River, packed with historic buildings and churches, many of which are being or have been restored.

>> NATIONAL MUSEUM

The large and comprehensive National Museum of the Philippines preserves and showcases the cultural, historical and natural heritage of the islands with collections housed in two different buildings (within Rizal Park). Exhibits are categorised in five divisions: art, botany, zoology, geology and anthropology.

>> MALACAÑANG PALACE

The name of this Palace, now the seat of government and official residence of the Philippines head of state, comes from the vernacular 'May Lakan Diyan', which means 'there lives a noble man'.

>> AMERICAN CEMETERY

Providing a quiet spot to retreat from Manila's rat race, the American Cemetery near the Makati commercial centre is a welcome peaceful oasis, much visited by tourists, especially veterans of World War II.

>> TAAL VOLCANO AND LAKE

One of the most visited tourist spots in the Philippines, this geological phenomenon is actually a volcano within a lake within a volcano. Taal is the world's smallest volcano, but do not let appearances deceive you--it can be quite deadly when it erupts. A 45-minute ride on a banca (wooden boat) will take you to the volcano; a 15-minute trek will take you to the top of the crater. An older and larger volcano is an hour away, which requires the assistance of an experienced guide.

>> CORREGIDOR

This small island, shaped like a tadpole, has become a memorial and open-air museum commemorating the World War II stand of Filipino and American troops against the Japanese invaders. The island is the largest of several at the entrance to Manila Bay, laying off the tip of the Bataan Peninsula, about 26 miles from the city.

>> PALAWAN

The island of Palawan is an elongated stretch of thickly forested landscape bordered by coves, beaches, lagoons and limestone cliffs, stretching from southwest of Luzon towards Malaysia. The island's Tubbataha Reef is extremely ecologically important to the Philippines as a feeding ground and nursery for marine life, and the area is archaeologically important too. The main attraction on the island is the underground river, St Paul's Subterranean Cave near Sabang, about two hours by road from Puerto Princesa. The cave extends more than five miles (8km) and contains the world's longest underground river.

NETCAFE BOO-BOOS.....

This funny incident happened to me one early morning after a wild night of partying. As I was on my way home, I stopped by at a Net-Café. I was still too drunk to go to bed. I ended up in one of these private cubicles with just a chair and a computer where you can chat with closed doors. I started to chat with my long time male friend and pretty soon we ended up getting naughty on cam. It was around 2am, and I could still hear people come and go in a steady stream outside my closed door. None of us were indirectly cyber-sex virgins and I was so horny now. I started to show him my tits, and then he demanded me to show him everything and play with my pussy.

After a while of rubbing and flicking, I got so wet and I'm about to cum when the door suddenly opened before me while my legs are wide open as I'm pleasuring myself! A big white guy was standing by the door and staring at me and my exposed pussy! It turned out that I forgot to lock the door. It took me a few seconds before I came to my mind and gather myself. The big white guy turned around and left, he was kind of hot though, I must admit. I stopped chatting and decided to just go home due to the embarrassment. I took my things and left the cubicle, I saw the same guy sitting just outside looking at me as I exit the small cubicle. I tried to ignore him and just walked away, I didn't know what to do. I went to the CR to retouch and refresh myself before I go home, when all of a sudden the CR door flew open and there was the white guy again!

I never lock CR doors if I am only to put my lipstick on. So there he was again, by the door, staring straight at me! Then it happened so fast. He came closer to me, wrapped me in his strong arms. I was too tempted so I did not stop him. He kissed me on the lips and I kissed him back… he started to lick me all over from my neck to my tits… down to my tummy. I was so hot again! Then he lifted me up and put me on the sink… spread my legs and lick my wet pussy. That felt sooo good! He slipped off my clothes and face me on the mirror with my legs open like a frog and fucked me hard from behind. Oh yes! He fucked me so hard and so fast that the sink gave in and fell down with a loud bang. I was mounted to him and he held me so I did not fall with the sink. It was a loud BLAG! All the staff came over the CR only to see us there. I was totally naked, and he with his pants down and it was really embarrassing! We fixed ourselves and went off. We were banned from that net café… hehehe… he ended up paying for all the damages. We went out together like we were a couple pretending to be boyfriend and girlfriend. But the fact is that, we both just pleasured our horny selves with each other and did not even bother to know each other's name. /**SLITZMAG.COM**
